States that there is Vid between him
and the Head master of Kalale
School on account of certain lands,
that there is also Vid between him
and the Villagers for his having tried
for the establishment of a municipality in
Kalale & giving suggestions therein
that Consequently the Villagers h
an intention of depriving him of
his lands & house, forwarded
several petitions to H.H. the
Maharaja to take the house & sto
hittal for building the School house
that accordingly he has received a
Notice from the Taluk to vacate
the house in question that he
purchased the remaining portion
of land other than that allotted
to the School from Mr. D Devaraj
Urs, and that eventually he
converted the Southern portion of
the School house as his hittal &
raised Compound wall, that
after his utilizing the said portion
as his hittal &c, he learnt that
100 × 100 ft of land out of the area
purchased by him was granted by
Mr. D Devaraj Urs to School building

that the members of the School Committee have taken back the land question on 5-7-03 on the occasion of the dispute between the petitioners & Bd. of Education & Mr. H. Devinney's, that there is sufficient space on the said portion for the extension of the school house: that such being the case, there is no reason why the house belonging to the petitioner should again be acquired, that under the circumstances he hopes that early orders may be issued to stick up to the area of 7500 sq ft of land already at the disposal of the School House & not to interfere with the petitioners house &c.
